

Did God really say?

Gen 3:1 – The serpent was the shrewdest of all the wild animals the Lord God had made. One day he asked the woman, ‘Did God really say you must not eat the fruit from any of the trees in the garden?’

In the garden we see that this is what the serpent asked Eve – Did God really say?.....

Satan has not changed his ways. He still uses the same words today as he did in the garden with us, in our everyday lives. Did God really say? Often, we are given promises by God and our part is to have faith and believe the word the Lord has given to us. However, the enemy will try to make us doubt that word, and sometimes we end up doubting and not believing. This causes us not to receive the blessings God has for us. Some of these promises are:

Promises to keep us safe.

Promises to restore our health.

Promises to not give us more than we can bare.

Promises to lead, teach and guide us.

God does not lie! We must not doubt his word - His word is truth. The enemy does not want you to believe the word of the Lord. He wants you to doubt. He wants you to question the word. Remember we are believers of Christ Jesus. He is the Word! We believe in Jesus; we believe in his word!

We need to just believe and receive his promises for us. Now when that thief, Satan, comes to steal that word - that promise God has given to us, we need to stand up, open our mouth and declare boldly - ***Yes, God really did say!***

Isa 40:8 -The grass withers and the flowers fade, but the word of our God stands forever.

Faith is required to please God.

Heb 11:6 – And it is impossible to please God without faith.

Abraham was counted righteous because he believed the promise the Lord gave to him.

Gen 15: 6 – And Abram believed the Lord, and the Lord counted him as righteous because of his faith.
