

Door 6: Bringing Demonic Objects into your life.

Scriptures and Prayers of repentance.

“Behold, I set before you this day a blessing and a curse; A blessing, if ye obey the commandments of the Lord your God, which I command you this day: And a curse, if ye will not obey the commandments of the Lord your God, but turn aside out of the way which I command you this day, to go after other gods, which ye have not known.” Deuteronomy 11:26-28

How can we escape curses and be set free from the consequences that come from being involved with cursed objects? First, we must be honest with God and admit our sin (even if we were ignorant at the time); next, we must repent and renounce all ties with the past and attachments to objects that has been revealed to you as demonic objects, or be cursed objects, these things the Lord says are an abomination to Him.

Some may say this sounds legalistic, but to follow and love God means that as soon as we learn of something that we are involved in that is an abomination to God, we must remove it from our life immediately (the same is true of sin). If we love the Lord God and do not wish to have anything in our lives that could hinder or restrict our spiritual walk, we will be willing to put away anything that would keep us from walking in the fullness of God’s blessings and His plan for our lives.

Some of these ties that cause curses could be objects that were used in cult and occult practices, whether we purchased these ourselves or by someone else and given or handed down to us. These objects represent Satan and therefore we need to cleanse our homes of them or remove them, burn them, or break them. We can unknowingly have ornamental objects, books, or ornaments (idols) that pertain to false religions, cults, the occult, and any other thing pertaining to Satan’s kingdom such as evil CDs, records, books, etc. in our homes. Demons can even dwell in objects. Although demons prefer humans or animals to dwell in, they will occupy objects in an effort to torment people or lie wait until they find a vessel that has an open door of sin that can allow them to come into a person. Even if we are not aware of the evil, they represent objects can be an open door for a curse to come upon us or in some cases in us. We are commanded to have nothing to do with these kinds of things in scripture. **Deuteronomy 7:25-26** states, **“The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the Lord thy God. Neither shalt thou bring an abomination into**

thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing.”

If you want to cleanse your home of any evil objects, as you begin looking for these objects always be led by the Holy Spirit. As you pray, the Lord will bring items to your mind, or you may just get a feeling about something that it is not right. These can include ornaments purchased from overseas or other trips, especially foreign excursions where certain cultures embrace things that are not Christian. These could include figurines of gods and goddess's and other ornaments from places like Greece, Africa, India, Mexico, Asia, Rome, etc. Many times, friends or relatives who have travelled to such places, bring gifts back home that have a world of darkness attached to them. Sometimes even family heirlooms that are passed down have curses or demonic influences attached to them, as well.

Psalm 101:3: “I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.”

Proverbs 4:23: “Keep thy heart with all diligence; for out of it are the issues of life.”

Prayers to overcome and move forward.

The Authority of Jesus Christ

Yes, the spiritual world is just as real as the physical world. We should be aware of spiritual battles. This does not mean we have to be fearful or try to fight these battles alone. When dealing with the spiritual world, we must know that because we have Jesus, we have power in his name to overcome any darkness that we may come across.

Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall hurt you. **Luke 10:19**

I believe God gives all believers intuition when something is not from God. **It is good to be aware of evil spirits, but remember they are nothing compared to the supreme power of God.** The Bible says to not be overcome by evil but overcome evil with good (**Romans 12:21**)

Pray & Ask God to Cleanse Your House from any demonic objects.

Be in communication with the Father and ask him what it is that is bothering you. Ask God to search your heart, and if there be any wicked thing in it, that the Lord would cut it off.

Maybe you are doing something the Lord disproves of and you need to be cleansed of sin yourself. God knows us better than we know our own selves.

When we are in sin, subconsciously or unconsciously, it affects us and opens doors for the enemy to work.

Search me, O God, and know my heart. Try me and know my thoughts! And see if there be any grievous way in me and lead me in the way everlasting! **Psalms 139:23-24**

Once you ask the Lord to cleanse you, ask the Lord if there is anything in your house, gifts which has demonic influences that is not from him. If so, ask the Lord to show you the source. I suggest you sit down for a moment with a pen and paper and write down what you feel the Lord is saying to you. Focus on God and let Him speak to you.

Examine yourselves, to see whether you are in the faith. Test yourselves. Or do you not realize this about yourselves, that Jesus Christ is in you? unless indeed you fail to meet the test! **2 Corinthians 13:5**

Be aware of objects that have evil significance.

- Jewellery containing symbols from other religions, including horns and crescents.
- Evil-looking figurines, items, or clothing even depicting skulls (skulls represent and memorialize death, and can even invite and harbour spirits of death in your home)

- Items depicting symbols of other religions (like horns that depict the demon principalty Baal, and crescents that depict the demonic religion of Islam) can invite the demon spirits over those religions into your home.
- Memories triggered by various home furnishings caused people to think about or dwell on sin.
- Dark or empty spaces can harbor any number of evil spirits if there were significance that led them there.

Once you have gone through this process, just begin to thank God for his goodness and mercy, thank him for revealing his will for your life, it is his desires to see that you walk in holiness and that no object or demonic influence be present in your life.

God Bless you!
